Message From the Board

Greetings Kona Kai Members - What a lovely February we have had....We need the rain though....

* Good News - The Basketball/Pickleball court crack has been repaired. Thanks so much. The basketball hoop is on the agenda to be fixed in the near future.

* More Good News - The tennis clock that was knocked down by the fierce winds has been replaced.

* How do you like the Clubroom Floors? They are really lovely. Much thanks

goes to Jennifer Muhle (Board Secretary), Brian Getz (Building & Grounds) and Sharon Schedler (Kona Kai Club Manager).

* The board is in the process of reviewing the definition of "Family Membership", and if you have any questions or suggestions please let the board know. Either add your comments to the suggestion box, or make your comments/suggestions to the office, or attend the board meeting so we can have a good chat. Our next board meeting is 19 March @ 7:30.

* Kona Kai has several memberships for sale, please encourage your family and friends to come by for a tour. Just call the office to make the date. Thanks for your time and have a great March

New Club Room Floor Guidelines

The Club room has a new floor! We're so excited to have this big project complete.

Please help us keep it looking as great as it does now by noting the following:

- **DO NOT MOVE FURNITURE OR TABLES - only staff may do this. Please ask us if you need things moved.**
- **NO wet bodies in the room - dry off first!**
- **No sand - if it happens, ask staff for help or grab a broom from janitor's closet in the hallway and clean it up!**
- **Wipe up spills quickly.**

Thank you!

Social Committee News

Many thanks to hosts Kathie & Mike Dunnam and Jenny & Roger Martin for another awesome "Wine Tasting" event. Always a great time and a wonderful opportunity for our adult members to take a break and meet new friends. Great food, great company and lots of fun tasting wines. Thanks to everyone who helped!

The Social Committee has been busy putting together a calendar of events for our newly created "First Friday" events. **Check out the planned socials** (see calendar from last month's newsletter) and be sure to join us when you can.

In addition to the "First Friday" events we are also planning to create some **day time activities** for our members who have free time in the afternoons. If this is you, please do come **join us for our first planning session on**

Monday, March 16th @ 11:30 am. This session will be to plan afternoon activities such as
Bridge
Crafts
Bookclub, etc.

Everyone is welcome to attend or to send us ideas about daytime events that you would enjoy and be willing to support.

Teresa Sulcer & The Social Committee
